OTHER INFORMATION:

Please attach a rate sheet detailing your hourly, daily and/or weekly rates for use of your vessel. If additional equipment or crew are required to contract your vessel, you must include that information.

If vessel crew members are not members of the SEAPRO Oil Spill Response Team, they will only be involved in the operation of this vessel. Crew members may be required to undergo training and use special personal protective equipment (PPE) to work safely at or around a spill site.

Submit this registration form and a rate sheet via mail, fax or email:
