SCAT Team Kit

Field equipment checklist

The following is a checklist of equipment that can be used by the field teams:

Survey gear

- waterproof paper for field forms and sketch maps; field notebooks (waterproof)
- SCAT Manual
- office supplies; pencils, paper, waterproof markers, rulers, paperclips, clipboard
- segment maps and base sketch maps (if available), aerial photographs, topographic or nautical charts of area
- compass, liquid filled, 1-degree graduations, Brunton types are preferable if bearings are recorded
- shovels; folding or clam, preferably with the pick on the backside • Global Positioning System (GPS) receiver (hand-held, portable)
- tape measure or range finder (hand-held, 0-500 m or greater range)
- digital camera that can date the photos
- video camera and videotapes, if required
- batteries, charged battery packs (for cameras, radios, etc.)
- 10-cm long photo scale with 1-cm increments for close-ups
- day pack (waterproof)
- communication equipment (hand-held 2-way radio(s), VHF Marine (5 watt), cellular phones).

Personal gear

- rain gear
- sun screen, hat, rubber boots, non-skid soles
- gloves & liners, waterproof, work type, high quality
- first aid kit
- food and water.
