in Ketchikan**

Maintenance Technician

SEAPRO is a response organization serving Southeast Alaska, offering work opportunities to prevent, prepare for and respond to oil spills.

SEAPRO is currently seeking a part-time Maintenance Technician for our Ketchikan, Alaska warehouse & waterfront facility.

Ideal applicants will have experience:

- ✓ Maintaining mechanical equipment, hydraulics, pumps and generators.
- ✓ Working safely in an outdoor workspace, shop or industrial facility.
- ✓ Organizing and maintaining an accurate equipment inventory.
- ✓ Working safely on boats, handling lines, and operating small boats/skiffs.

Requirements: High school diploma/GED, SEAPRO application, professional references, pre-employment fitness for duty exam & background check.

Hours & Pay: Flexible 15+ hours per week, starting at \$24+ per hour DOE

Interested & ready to start this summer?
